Appleby's Bermuda office, Appleby (Bermuda) Limited, traces its history back to 1897. It is widely recognised for providing first class corporate and commercial legal services as well as litigation and insolvency advice.

As one of the world's leading Insurance/Reinsurance and financial centres, Bermuda is also a jurisdiction of choice for funds, asset finance, and for incorporating global companies seeking to list on internationally recognised stock exchanges. Bermuda is on the OECD "white list" as well as being a member of the International Organization of Securities Commissions (IOSCO) and is widely regarded as one of the highest quality offshore jurisdictions.
